SURVEY OF MEDICAL HOSPITALS
N.N. KRISHNADAS

Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) the details of the MCI regulations for granting permission for running medical colleges;

(b) whether the patient admittance rate in the hospitals of private run medical colleges is much below their capacity;

(c) if so, whether the MCI has conducted periodical surveys of these hospitals; and

(d) if so, the details thereof during each of the last three years alongwith the reports thereon, State-wise?

Answer

MINISTER OF HEALTH AND FAMILY WELFARE AND PARLIAMENTARY AFFAIRS (SMT. SUSHMA SWARAJ)

(a): The detailed procedure for granting permission for starting a medical college is given in the `Establishment of Medical College Regulations, 1999` brought out by the Medical Council of India.

(b): As per Medical Council of India Regulations, 1999 on Minimum Standard Requirement, the average occupancy of indoor beds shall be a minimum 80 percent per annum. For maintaining the standard of medical education, the Medical Council of India (MCI) carry out inspections of the medical colleges for recognition/increase in seats/starting of new medical college/renewal of permission etc. During the inspection, the availability of clinical material in the hospital is assessed and medical records of the indoor admissions is checked and after satisfying itself that on an average 80% bed occupancy is available, the Medical Council of India recommends to the Central Government for recognition/starting of the medical colleges.

(c)&(d): According to MCI, periodical inspection of recognised medical colleges and their attached hospitals are conducted after every five years to assess the facilities available for training the students. During the last three years inspection of 38 medical colleges has been carried out by MCI.List of these colleges, State-wise, is enclosed at Annexure-I.The inspection reports are voluminous running into several hundred pages and are available with MCI/Government.
